

The Leaking Truth

33rd Post - Do you find this funny/amusing? Is there something wrong with you? Here's MORE that we have learned recently... PHONE NUMBERS INCLUDED!

December 05, 2024

I really honestly don't get it. Why do you care. Why do you watch. Why do you spy. Why do you peer into my life and everything about it. Why do you care again? Every single little thing judged upon by an unknown X value number of sick people. The single handed fact you spy into the restroom says enough about all of you! The facts are there. BUT keep in mind somehow single handed I'm being one upped by someone for more evil than you can imagine who has a different take on my appearances and presentability that's far more sinister and disgusting and yeah it would make you wanna hate someone! BUT imagine in your mind someone hacked into your "imagination" portion of your mind and they vividly take advantage of everything possible to act out THEMSELVES FOR FUN! It's like a sick game. Meanwhile I sit here unconnected helpless to stop these acts from taking place or happening for real while my name gets smeared by some sick fucker who at this point deserves to die for what he has done to me. And it's not just one sick fuck, but yet I have found there's a few more out there playing around messing with me keeping me hostage wanting to 'control' me, shoot me, kill me, etc.. It's difficult to know who your true friends are at this point once you learn everyone's had their hands in the cookie jar of 'you' to grab whatever they want out of you FOR PROFIT AKA MATH MONEY! As referenced to my first post Everything I Know So Far I add to it, Now I know more... Kenworth Brieske 4253599024, 3607222756, 3606523032, 4254227718 is a fucking con artist and a scammer from a family of scammers who honestly started this whole rodeo shit show because Kenworth complained "my Adderall stopped working..." HONESTLY THATS THE WHOLE DEAL HERE so he picked an innocent person to FUCK OVER and play up in the universal mind using a shit show of timelines falsified to paint a larger scammy picture. Let's give you the facts, his pill bottle has a quack doc at Skagit Regional Clinics in Stanwood, an old fart Dr Make Me Feel Good who relies on kickbacks from high dose scripts. Well mommy and kids and him all met with Dr Make me Feel Good and all got hooked! So imagine this picture,

someone finds out and stops their medication from working so they find someone innocent to con to abuse thier meds with KEY WORD ABUSE! That's the fucking truth right there... Kenworth once was considered a 'friend' but now he's an enemy to me for what he has done to me, but now he's a massive pot head who does dabs out of 4-5ft long glass blown looking dick of a pipe he's so fucking proud of, it looks like a giant dick crack pipe if you ask me. Kenworth is now in hiding but keeping tabs on people and will shoot them in the back if he dislikes them, which is illegal, but he wants something more out of me like everyone else seems too, there's always one more thing to steal, one more thing to go after.. Kenworth also has a role to play in the math money game here as well! He's bitched about his crypto before and others have expressed themselves as well here.. Nobody's crypto is safe right now anymore, it's all one big game of chance here how the chips fall once this ends and it's going to be ugly for everyone, the IPV6 wallets/addressees are most likely tracked by the NSA and whoever has clearance into that system, so fuck your math money and possibly get used to the idea math money is going JavaScript mining fast, I hate the idea too but that's whats coming down the pipe as ya smoke it. Then there's the miserable Kevin Hansen Jr 4156853867, 5032909139, 4802054929, 2064198375, 5096700388, 5096633677, 5084156246, 5204910181, 2065298083, 4253473601 whose also on the hunt HARD AS WELL, last I heard he was making his way into Lexus Nexus to break into the facility to see if he could find a back door into Trumps mind who is in control of my imagination and maybe that's the key thing here people are after my imagination and who can keep control over it? I don't know? But this control over that portion of my mind is keeping me from being logical rational and knowing the right things I need to know, not to mention the memory blockers they are using to keep my numb from knowing all that I should know! This might be my only second chance and Kenworth heard about it so he blew a hole into my head to fuck me up at the very beginning. The whole timeline is littered with little cons of quid pro quo deeds granted to certain people who are in the "in group" it's all one big sham of a giant ass lie of people scamming their way to get what they want. I see the dominos falling all over the timeline and yes people out there are being screwed over individually by a far more sinister character who invites more drama coming to me by screwing other people over, this sick fuck thrives on these incidents of fucking with people and messing with their lives and causing resentment towards me. Trump has an alias of Tramp that's more commonly used than people know about, hack the Florida DMV photo database for his gay profile pic, you'll see. CFIUS is now a MONSTER campaign run document that I'm now dealing with, written like arbitration but ripe for abuse for a monster with legal jargon on repeat of who controls who and what rights they have which are basically none, breaking all the laws of the universal mind! It's crap shoot but it's got legal people backing it and 5 more coming which I have KNOWLEDGE

ABOUT because I found Trumps google search history of names of people he was looking into online, imagine that, and I want to help warn these people your being hunted by a bigger evil here who is going to fuck with your mind and imagination like he's doing to me furthering his quest of world domination before he brings on extermination.. What few people know if Trump is a person who took a liking to Hitler and reads his scripts and takes inspiration from them, meanwhile Hitler to hits of meth in the ass, Trump does it in his dick. There's a current investigation into Trump and Meth from 2016-2020 few details can be told but know his tweets are certainly part of the investigation.. Covveffe was a fucked up word written with gakked out eyes to lazy to hit autocorrect to so fucked up he hit send tweet, he was thinking coffee but his one handed mode iPhone he couldn't see right "that's what happens close up with screens you asshole" Covveffe is the biggest tweaker blunder of all time from the highest house in the nation, guess what right handed mode left his left hand free to do something else, I won't say anymore... But I will point out this Man gave a open Mic a BJ on stage before election day like he's done it a million times, it haunts me but I think someone should make a repeat clip of that BJ to It's Raining Men and put it on TikTok. The world needs to see the damage caused by Trump and I have a lot of facts to aid that knowledge but ultimately he's going to try and hide it. The best I can do is post now and hope people see the truth and figure something out FAST. DickzAndBoobiesAWESOME@gmail.com was a google account Trump found interesting and used the Google VOIP with, if someone from Google can pull those logs and calls we might learn a little more about who Trump calls and what he says? Honeypot? Yes, A BIG honeypot. The fool can the fool playing you! Kenworth and Trump are both in the same boat holding me hostage, but I need YOU to read what I am saying and find the truth going on here and help me get FREE from this nonsense! I don't have much time remaining anymore so every post counts. Breaking my imagination free should be everyones top priority, not a sign of weakness to take advantage of!!! This is a matter of principal and legal law of whats right here! Help break the cycle! The truth always comes out... Laura J Brieske is another con artist over a person named Bonnie, the mother of Kenworth 4254227718,3603874756, 3606523032, 3606522990, 3606522989, 4256523032. 34th Post - How I did it! Possibly helped EVERYONE OUT!

December 06, 2024

So I had this idea come to mind and wrote to Nand at the CIA about this concept for security measures to be put into place to solve criminal activity within the FOIA reporting system. The idea was to duplicate the FOIA file and then leave an open
